Good evening Paul,

On behalf of street pastors, thankyou for your
donation, and your continued support. Could you
please pass this on to your congregation.
Having the support through finance, as well as
prayers, of churches enables us to continue through
this time. I joined a meeting with the police and
council this morning discussing what could happen
when the premises fully reopen after the 19th, and
the feeling is that it could be "interesting." We go in
faith that God has everything in hand, and the right
people will be in the right places at the right time.

Again thank you for your support, and God bless.

Isabel, Coventry Street Pastors
