## September

September is the season where schools and colleges restart and whatever our age it marks a season of new beginnings.

Our theme for September is that of Serving

This week, 3rd September, we consider that new start time and consider how to serve children and young people.

On the 10th we consider serving others needing support and at 10:00 a.m. the Hope into Action Team will lead us.

On the 17th we consider serving our neighbours and at 10.00 a.m. we have a baptism.

Finally on the 24th it's Harvest and serving creation - at 10.00 a.m. which will be a Communion service as well.

We'll have more information about gifts to bring to church to celebrate Harvest after the Preaching and Leading Team meet on Monday.

A date for your diary - Monday 25th September - it is likely that help will be required with the Harvest distribution. Further details to follow.

## Children and Families

At the beginning of a new school year, it would be great if there are those in our church family who would be prepared to commit to praying for All Saints Children's and Families Ministry regularly over the coming year, by praying for:

\*God's guidance

\*All Saints Children and Families Ministry Team

\*The Children and their families who attend... Mites and Minders, Mainly Music, Worship Zones, Muddy Church, Open the Book, Narnia.

\*All Saints Baptism families.

\*The two schools in our parish...

Prayer points to support praying for Allesley Primary and Sherbourne Fields Sch00ls are available on the prayer board at the back of church.

If you feel called to be part of a Children and Families prayer team; to explore joining the team or helping with preparation of resources.

## Photos

Our church profile (the document given to all prospective new Rectors) will always be richer from having photos as well as words describing who we as a church are. If you have any photos from the last year or two then please send them into the church office so they can be passed onto the team working on the profile.

Thank you

## Tech Teams

We'd love to be able to train you in using the live streaming equipment or the Worship tools system for the big screens. Please let Di or Rupert know if you'd like to help or just come and watch one Sunday when you're in church to see if it's something you would be interested in .

## Welcome to worship videos

We are in need of a nice new selection of countdown videos to use.

Just video yourself or someone else counting down from 10 to 1 then saying welcome to Worship and send directly to Di: WhatsApp 07727270504 or email [haveunotthought@yahoo.co.uk](mailto:haveunotthought@yahoo.co.uk) or via the church office.

Obviously it will be shown on the livestream and therefore providing a video implies your consent for streaming.
