Focus Newsletter

Welcome to All Saints!

This Focus newsletter is our way of keeping you informed about upcoming events, services and prayer meetings, as well as sharing uplifting stories, and important updates within our church family. See the final page of Focus on ways to follow us on social media.

What to Expect at Church:

We love to welcome visitors or new people, so if you're considering joining us please do come along! If you're reading this and are new today - please say hi to someone nearby, we'd love to get to know you. During our services we do a mixture of singing, praying, listening to a sermon and chatting to each other. You are welcome to join in however you feel comfortable, or to just sit quietly.

Kids at Church: We love to welcome children as part of our Church family. During most 10am services, children go into the hall for Worship Zones - a fun interactive session where they explore a story or theme. Parents do not need to join them unless children are pre-school aged or have a specific need - please discuss with our team. Teenagers are invited to stay in the main Church, or join Worship Zones as young leaders - please speak to our team about what you'd like to do.

Thanks from Radio Plus

"Please accept our deepest thanks for the donations from All Saints Church, Allesley in 2024. Our training rooms continue to be used for training of young people and one company has enabled over 140 people into employment. A second training organisation has commenced the first of two five week "Employability" courses with 15-20 individuals on each course. We continue to support the Diocesan Curacy Training programme with four curates presenting different religious broadcasts which should go live in February.

Church Flowers

Please sign the church flower rota at back of church if you would like to make a donation towards flowers in memory of a loved one or to celebrate a special event.
