Information, Updates and Requests

Welcome to our “half term” Focus newsletter for 26th Oct AND 2nd Nov. We begin our new series “Stories Jesus Told” - a fantastic opportunity to explore the Parables Jesus taught his followers and consider how they still challenge or change us today. As Autumn continues, I hope you are able to notice the changing trees and consider how God might be changing you? Lots of our staff team are taking a break this week to rest and gear up for Advent, so we may take a little longer to get back to you than usual. Have a blessed week. - *Rev. Sarah*

One Way Campaign 2025: A HUGE thank you to all those who were able to offer to serve on a team or who were able to start or increase regularly giving. We're so grateful! If you committed to change your giving, please let us know your new intended giving via a pledge form, to help us set our 2026 budget. If you signed up to a new team, someone will contact you soon to get you started and offer any support needed.

Coventry City Mission Giving Tree Project 2025

Last year, as part of a citywide response, our Church was able to bless 1,589 disadvantaged Coventry children and young people, and made their Christmas special. To take part this year just take a ticket from the table at the back of Church, buy a present (items have to be new, sorry no cuddly toys or clothes), place presents unwrapped under the table with your ticket. Final collection from Church is 23 November 2025 (10am Service) unless you want to send direct to CCM then it's 04 December 2025. For ideas on what to buy, please look at list at the back of Church. Please give generously, as we say every year - even a toy from a bargain shop can make a difference! *Love from the Payne Small Group.*
