Happy Easter!

In a world that can often feel uncertain and vulnerable, we can feel that hope is hard to hold onto. We wonder what the future holds, and whether it will all be ok in the end. Easter reminds us of the enduring, powerful, transforming love of God. The bible puts it this way: "God **loved the world** so much that he gave his only Son, that whoever believes in him will not perish but have eternal life." In Jesus, we see the truest form of love; love which comes to help us, forgive us and restore us. Instead of fear, guilt, or uncertainty, those who believe in Jesus are given the hope of eternal life in the future and the joy of life with God now. May you know God's love this Easter, and always.

-with Easter blessings, Rev Sarah
