# Information, Updates and Request

**Beacons Prayer Room** - has been up and running this week and it has been so good to see how God has been calling people to prayer. On Friday night 16 young people used it during a youth event, guided by the TESCO Church who had put the room together. Tuesday saw The Mindfulness Cafe overflowing out the door and into the corridor as they ventured into a time of worship together. And a steady stream of individuals and small groups ebb and flow through out the days. It is great to work in the office and know prayer is taking place within the church. We pray God may increase the work He has begun by raising us all up to be beacons of prayer.

**Ready to take your next step of faith?** If you've been considering being baptised or having your child baptised, we'd love to speak to you! If you're baptised and would like to make a public declaration of faith, then Confirmation can be a great next step.
