Fancy a Summer Read?

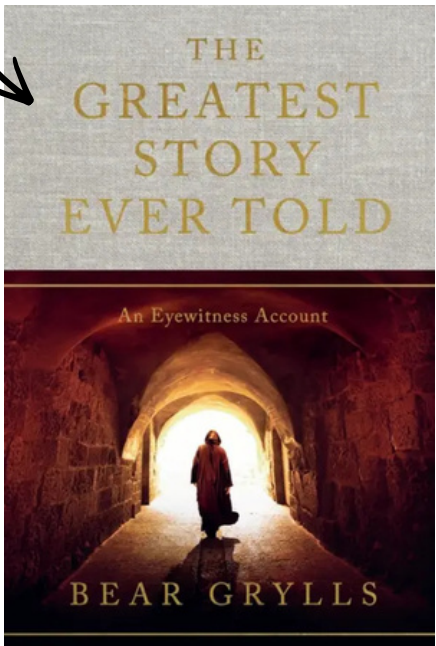

This is a book for people who want God without the guff - showing that it's possible to ditch religion, but keep the faith. A handbook to Christianity for people who describe themselves as spiritual but not necessarily religious, this is an accessible, light-hearted book, but one with a powerful invitation: to be the person you've always wanted to be, following a God you've always hoped is on your side.

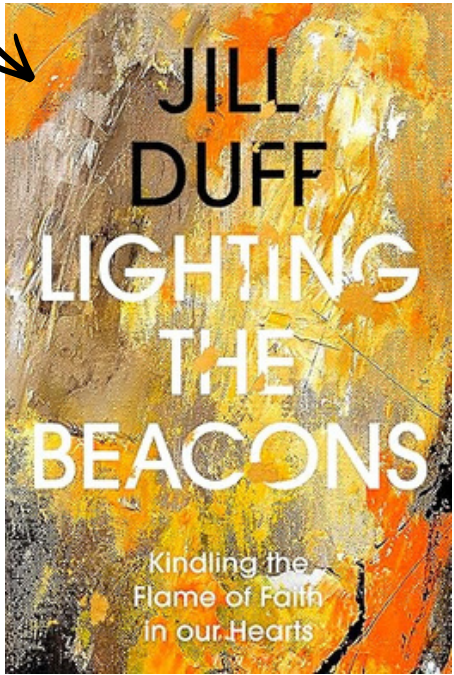

Great for normal people wanting to share faith

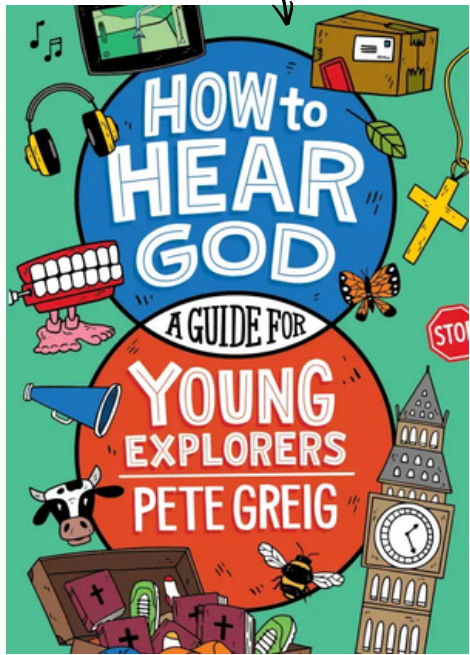

Great for teens or those who love a cracking story...

This book captivatingly conveys how, as beacons of God's light and love, we can help to bring heaven to earth...

Great for kids...
